Fig 3c

A hand-drawn schematic diagram of a tapered shaft assembly. The assembly consists of a central shaft (162) with a conical section (160) at its right end. A smaller diameter section (168) is at the left end. A bracket (164) indicates a specific feature on the lower surface of the shaft. A vertical dashed line with arrows at both ends, labeled 'a', indicates a cross-sectional plane through the shaft. The right end of the shaft is labeled '170'.
